Re.: **„Extension of NRWR installation in Mochovce for storing low-radiation and medium level RAW and construction of a repository for very low-radiation RAW”**  
**- distribution of the final opinion**

Pursuant to § 48 (2) of Act no. 24/2006 Coll. on the environmental impact assessment and on the amendment of certain acts as later amended, as well as pursuant to provisions of Article 6 of the Convention on Environmental Impact Assessment in a Transboundary Context and Council Directive 2011/92/EU, as well as pursuant to provisions of Article 7 of Notification of Ministry of foreign and European affairs of the Slovak republic no. 241/2005 Coll. – Agreement between Government of the Slovak Republic and the Government of Austria implementing Convention on Environmental Impact Assessment (EIA) in a Transboundary Context (Espoo Convention), we are sending you, as an affected party, the attached final opinion on the proposed activity **„Extension of NRWR installation in Mochovce for storing low-radiation and medium level RAW and construction of a repository for very low-radiation RAW”**.

We are sending you the final opinion in paper form in Slovak and selected parts of this final opinion in German. There are electronic versions of expert review and final opinion of the proposed activity in Slovak and selected parts of this final opinion in German in the attachment.

Please, inform your public and the affected bodies on the results of the environmental impact assessment in a transboundary context for the proposed activity according to your generally binding legal regulations in the field of the environmental impact assessment.
